

FOR IMMEDIATE RELEASE

November 7, 2011

**KAMAN AEROSPACE GROUP, INC. ACQUIRES VERMONT COMPOSITES, A
KLINE HAWKES PORTFOLIO COMPANY**

Kline Hawkes & Co. announced today its sale of Vermont Composites to Kaman Aerospace Group, Inc.

Jay Ferguson, Managing Partner of Vicente Capital Partners, said, "Kaman's acquisition of Vermont Composites is a great outcome for the VCP principals' prior fund, Kline Hawkes Pacific, LP, a 2000 vintage fund. The transaction represents a 5x for the fund. We've enjoyed working with Pat and his team over the past seven years to build one of the premier composites companies. We are highly confident that VCI's customers and employees will be well served by this acquisition, given Kaman's resources and strong market position."

Pat Wheeler, President and CEO of Vermont Composites, added, "Over the past 7 years Vermont Composites has greatly benefited from the strategic guidance of Kline Hawkes, as our company has experienced a three-fold growth in revenues and profits. Jay Ferguson and his partners have provided real value-added guidance and direction, while allowing management the authority and flexibility to operate the day to day business effectively. Their assistance with business strategy and board support, has been the critical factor in our ability to increase Vermont Composites' shareholder value."

About Vermont Composites

Vermont Composites Inc., a leader in the design and manufacture of composite aerostructures and advanced composite medical equipment based in Bennington, Vermont. Founded in 1979, Vermont Composites is expected to generate sales of \$32 million for 2011, and has approximately 230 employees.
